

Redwood City 2020 Tuesday Tidbits (2/16/16)

Dear Redwood City 2020 Leadership Council, Executive Team, and allies,

We are starting a new communications strategy within Redwood City 2020 to keep our leaders informed: Tuesday Tidbits.

Approximately every other week you will get short pieces of information in your inbox related to the collaborative on Tuesdays. Some Tuesday Tidbits will be internal in nature (e.g., fundraising and staffing news) while others will be more community-facing (e.g., initiative updates).

This week's Tuesday Tidbits are about our welcoming initiative, Redwood City Together:

- Redwood City 2020 is pleased to partner with the Sequoia High School Dream Club to present the 4th annual [DREAMers Unite! Conference](#) on Saturday, February 27th from 9am to 3pm at Sequoia High School. You are warmly invited to attend this compelling event to empower high school Dreamers (undocumented students with aspirations for higher education) and/or pass along the invitation to others.
- Last week, Palo Alto Online published a comprehensive article: [Growing up undocumented](#) which highlights the challenges faced by undocumented local youth. It is a helpful contribution to our ongoing dialogue about creating a welcoming community with enhanced cultural and social awareness.

Thank you for your ongoing partnership,

Jana
