Redwood City 2020 Tuesday Tidbits

Inside this edition:

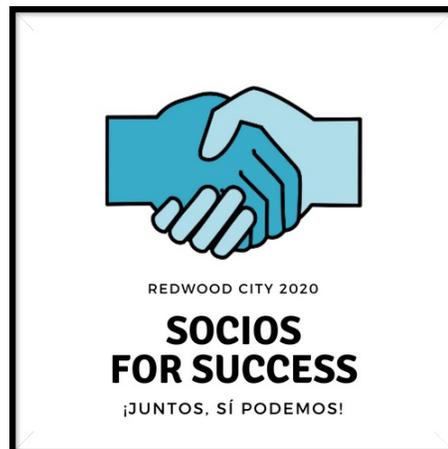

Socios for Success Welcoming Ambassadors, 2019 President's Breakfast

Socios for Success Welcoming Ambassadors

Redwood City 2020's Socios for Success program is building on the strengths of our community to boost family engagement in order to ensure children's success.

Families conduct outreach and community mobilization, learn from and teach others, create a welcoming environment, model partnership, lead and support projects, focus on positive outcomes, use their strengths and bring out strengths in others, and build a sense of community and social cohesion on school and community sites.

Recently, at Garfield Community School, four Socios for Success parents/caregivers put their leadership skills into practice by serving as Welcoming Ambassadors at the school's Winter Festival. By greeting other parent/caregiver attendees as they arrived, thanking them for coming, and orienting them to the available event activities, volunteers played a key role in creating a positive school climate. Socios volunteers are using their skills to ensure that all parents/caregivers feel comfortable, welcome, and part-of the school community.
