Casa Circulo Cultural Welcoming Star Award Recognition

Redwood City Together is a Redwood City 2020 initiative that builds empathy, understanding, and supportive action to bridge social divides such as race, class, and immigration status in order to create a welcoming environment for all. To honor local pioneers and programs which help build an inclusive community, Redwood City Together gives a quarterly Welcoming Stars award.

At Monday's City Council meeting, on February 11, the City Council of Redwood City and Redwood City 2020 celebrated the latest Welcoming Stars award recipient, Casa Circulo Cultural.

Casa Circulo Cultural provides creative, educational, and recreational opportunities for Hispanic families, while promoting Hispanic art, culture, and traditions and is involved in a number of community events including the Lunar New Year and Day of the Dead celebrations. Through their various art programs for both youth and adults, Casa Circulo Cultural continuously promotes civic commitment to the immigrant community and builds cultural understanding.

Support Casa Circulo Cultural by donating or join their efforts and become a volunteer! Find out more about Casa Circulo Cultural [here](#).
