Redwood City 2020 Tuesday Tidbits

Inside this edition:

Get Healthy SMC Video Series, Housing and Our Future, and AOD Dialogues

Health and Place Video Series from Get Healthy SMC

Check out this new [video series](#) by Redwood City 2020 partners at Get Healthy San Mateo County (GHSMC)! Ever wondered what it really takes to build the kind of neighborhoods that help all of us thrive? The series provides an overview of the relationship between health and key community priorities such as housing,

education, economic opportunity and complete neighborhoods. *You'll see Redwood City 2020 Executive Director Jana Kiser featured on the [education video](#).*

Our Community: Housing and Our Future

Redwood City 2020, in collaboration with our partners at the city of Redwood City, Home For All, and the Redwood City Library Foundation, cordially invites you to a series of community conversations about housing.

Please join us for the first community conversation on **April 11** to learn about trends of who lives and works in Redwood City and what is happening with housing. Come share your perspectives.

Event Details: Doors open at 6:30 p.m. Meeting starts at 7 p.m. at the Redwood City Main Library, Community Room. The library is located at 1044 Middlefield Road, Redwood City.

Please RSVP [here](#).

For information about the full series of community conversations and City Council meeting discussions follow [this link](#).

Alcohol and Other Drugs Community Education

Redwood City 2020's Alcohol and Other Drugs (AOD) Prevention Partnership team has been busy facilitating a bilingual Community Education Workshop Series. With these workshops, the collaborative seeks to both open and deepen the dialogue about environmental factors that challenge the health of our residents such as understanding the opioid epidemic and the health impacts of marijuana.

Recent workshops have been hosted by Redwood High School, Woodside High School, Sequoia Union High School District, and the Redwood City Public Library. The next workshop will be on Tuesday, March 20 at Woodside High School and will cover the delivery methods, potency, and health impacts of marijuana. For more information about upcoming workshops (or to host one at your organization's site), please contact AOD Prevention Partnership Coordinator Gregg Zaire at gzaire@redwoodcity.org.

Missed a previous edition? Find it on our [Resources page](#).
