10th Annual Dream Club Dinner: Making Dreams Come True

The Sequoia High School Dream Club and the Immigrant Youth Action Team cordially invites you to the 10th annual Dream Club Dinner: Making Dreams Come True dinner! The dinner will be held on Friday, November 22 at Sequoia High School Gym 2 from 6pm-8:30pm. All proceeds will go to the Dream Club Scholarship Fund. English and Spanish interpretation will be available. Tickets are available for purchase [HERE](#).

Tickets are \$15 for regular admission, \$5 for students, or reserve a table seating eight for \$125.

On-site childcare will be provided for children under 10 years of age. For more information, contact Jane Slater at jslater@seq.org.

Safe Routes to School 2019-20 Parent/Caregiver Survey

The Redwood City 2020 Safe Routes to School program is once again looking for feedback from parents, guardians, and caregivers regarding the streets around our schools. The Safe Routes to School Parent/Caregiver Survey, provided in partnership through the San Mateo County Office of Education, is now up and available

in [English](#) and in [Spanish](#). The surveys received from families not only helps the program gauge year to year benchmarks, but also helps to inform Safe Routes to School at a county-wide level. Questions in the survey range from how visible are encouragement and educational activities, what are the biggest perceived barriers to walking or biking, or even what grade level

parents/caregivers feel is appropriate for a student to ride SamTrans to school.

The survey will remain open until March with the hope of matching or exceeding the response rate of previous years. As the Redwood City School District (RCSD) has gone through considerable changes this year in terms of student travel patterns, this survey is more important than ever.

If you know any RCSD parents, caregivers, or guardians, please forward the English and Spanish survey links below:
