Conference for Immigrants and Allies

Redwood City 2020, in special collaboration with the Sequoia High School DREAM Club and Immigrant Youth Action Team, held the third Conference for Immigrants and Allies on Saturday, February 29. Open to all, the event was held at Sequoia High School and ran parallel to the 8th annual, youth focused DREAMers Unite! Conference organized by the Sequoia High School DREAM Club.

With over 150 attendees (50 adults and 100+ youth and educators), the adult track of the conference offered 7 workshops where immigrants and allies were able to learn timely and relevant information. Designed to build unity, understanding, and supportive action, the conference included an inter-generational dialogue opportunity to connect those in attendance across differences. Additionally, youth speakers shared their personal immigration stories and informed conference attendees on the importance of the 2020 Census.

Many thanks to all hosting partners and participants for a successful day of learning, empowerment, and commitment to building an inclusive and equitable community in which all are welcome.

Thank You to Participating Partners!
